

Chef Sasto's Egg Yolk Dough with Autumn Brands Cannabis

340g 00' Flour

4ea egg yolk

3ea whole egg

Pinch of Salt

1. Knead 20-30 minutes by hand.
2. Wrap in plastic.
3. Allow to rest 2 hours at room temperature.
4. Roll to desired shape and laminate with decarboxylated flower.

Decarboxylated Flower

Cannabis Flower

1. Break flower to small pieces about the size of a grain of rice. Not too small or they may burn.
2. Place in a mason jar and set on a baking tray on top of a kitchen towel to hold in place.
3. Bake in an oven 230F for 1 hour.
4. Shake the jar every 15 minutes to evenly disperse the flower.
5. Allow to cool for 30 minutes before handling.
